Last weekend, the golf tournament was a huge success – thank you to all those involved, and we hope you had as much fun as we did!

A message from our PG Presidents:

I want to thank everyone for their continued support throughout the year, and blessed to say we have exceeded our goal of \$100,000 with fundraising. This could not have been done without everyone's support, including all of our friends and families. As we close out the school year, we would like to wish you and your families a safe and blessed summer.. we will be trying to get together for a parents night out at a local establishment so be on the lookout for the date and time. If you have any feedback on how things went from your perspective, we would love to hear it. Please don't be shy and reach out to us at [parentsguild@myctkschool.org](mailto:parentsguild@myctkschool.org)

# SPORTS' BOOSTERS

## MESSAGES

Congratulations to our 8th grade athletes as we celebrated their achievements in sports Sunday night. We, as the Sports Boosters Club, are so proud of your performances for all the teams you participated in, not just this year but during your entire time at CTK. Through both victory and defeat you represented the mission of CTK Sports of sportsmanship and advancement of your skills.

This year's recipients of awards are:

Katharine Biniasz and Matthew Klein Jr. - Mike McGuire Award for Best Athlete  
Emma Hudecki and Brady Marciniak - Sister Mary Ellen Award for Sportsmanship  
Kaelyn Andrzejewski and Wyatt Pegnia - Badger Award for Tenacious/Hardwork  
Peter Streit - Coach of the Year

Thank you, coaches, for leading all of our teams and fostering the development of our student athletes. Thank you, parents, for your support in allowing your children to participate in athletics.

If you haven't done so already, please return your sports uniforms to the main office by Thursday, the 12th. Have a great summer, stay active, and we'll see you in the fall.

### **A Letter from our Outgoing President of the Sports Boosters Club:**

CTK families,

As the school year wraps up, I wanted to take this opportunity to thank you for another wonderful year. CTK is a special place because of the families.

Thank you all for supporting the Sports Boosters fundraisers throughout the year. The mum sale and basket raffle in the fall, along with the basketball tournament in March, helped us to raise thousands of dollars to continue to support the many sports CTK offers across a wide range of age groups, as well as the Physical Education program and the overall health of our students. We are working to finalize plans for a number of improvements this summer. Stay tuned in the fall to see those results.

Thank you to the parents and coaches who continue the excitement around our athletic department. Your enthusiasm drives us to continue these fundraisers as we see the joy it brings to the CTK community.

All that said, we need more volunteers to keep the Sports Boosters running smoothly. Please reach out to Matt Klein if you are interested in joining the Sports Booster board. I have truly enjoyed meeting so many wonderful families during my years with CTK and specifically with the Sports Booster board. I encourage everyone to get involved. It is a great opportunity to demonstrate to your children how to work together for a common goal.

Enjoy your summer! Stay active! Go Badgers!

Peter Streit
