Thank you to the Schmidt family and the Dluhy family for running the Meat Raffle! Thank you to all the volunteers and attendees! I heard it was a blast and successful!

Peace, Love, and Prayers,

Mrs. Wangler

\*Parents, are you accepting our invitation to "belong" to Christ the King School? Are you participating in the activities and fundraisers we have? Are you a part of the Parents' Guild or Sports' Boosters? Your students are here every day for 7 hours. We are connecting with them. Get that feeling of "belonging" by getting involved in school and going to church! Enjoy and 'belong' within our CTK family!

## MESSAGES

### **Soccer Update:**

Coaches are reaching out to their teams this week if they haven't already. Please contact Mr. Klein if you signed up your child and haven't received any communications from the coach by Wednesday. At the time of this newsletter, we still haven't received the final word to start lining and setting up the fields at UB. Coaches are working on alternative places to practice. If you have an idea, please let the coach know.

### **Track Update:**

SITA, the league that organizes the track season, is in a transition period. The past few years they've mentioned lack of support/volunteers, making what they offer a challenge. At this moment we are unsure when the track season will begin. We know that the Diocesan Track Meet at St. Francis High School appears to be scheduled for Tuesday, May 13th. That meet is exciting for students as it takes place during the school day as a "field trip". When we have more details, we will pass them along. Watch your emails for a sign-up from Coach LoTempio.
