

Family Directory

Dear Parents:

We are updating our family directory. In order to publish your information, we must have your written consent. This list is an invaluable resource for our school families and staff and we never give or sell the information to anyone outside of the school. This list is used for sporting events, planning school events, to address concerns, etc. Please fill out the information below. For families with two households, we will be pleased to list both on the list, but you must notify us that you want that done and provide us with the current information.
