

School Messenger Update Form

It's that time again...

We are updating the information in "School Messenger"! For the new families at Christ the King School, School Messenger is a broadcast system that we use to get out an emergency message or very important message to everyone on the list at the same time.

The system allows us to attach two phone numbers to each student, with each number being assigned a priority of #1 or #2. The system does try to reach both numbers several times, but calls them in the designated order. The phone numbers can be Home Phone or Cell Phone Numbers.

Fill out the form below and return it to the school office ASAP. We only need the information requested on the form below. Please fill out a section for EACH STUDENT attending CTK.
